### General Mountain Bike Racing Rules

Questions on the rules should be directed to the CPS Committee

Wearing of a helmet is mandatory while warming-up for, racing in, or riding at any CPS event.

Racers competing in a race that is conducted in a time trial format may not re-start the race and earn CPS points.

Bicycles shall be in good repair with both front and back brakes in good working order.

Racers may change any bicycle components during the race except the frame.

They may accept assistance only from other racers actively competing during the same event.

Food and water can be taken from anyone, anywhere on the course. Racers taking food or water must not impede the progress of other racers.

Racers riding bicycles have the right of way over racers pushing bicycles. When practical, racers pushing bikes should yield the most ride-able portion of the trail when being passed.

A racer pushing or carrying his or her bicycle can overtake a racer riding his bicycle provided that it does not interfere with the riding racer.

Riders should vocally alert those they are passing using announcements like "PASSING on your LEFT (RIGHT)!" or "TRACK LEFT (RIGHT)!" It is the responsibility of the passing rider to overtake safely. Racers behind a lead passing rider must also announce their passing as well and not rely on the lead passing racer to announce for them.

Use of headphones or musical devices that impair the ability of a racer to hear or communicate with other racers is prohibited

Riders should not shorten the course to pass another racer. Shortcutting the course by any racer may result in a disqualification.

Riders being lapped must yield at the first reasonable opportunity

When two riders are vying for position, the leading rider does not necessarily have to yield position to the challenging rider. However, a rider may not block the challenging rider's progress; this is considered to be highly unsportsmanlike behavior.

Racers must yield to emergency medical personnel.

Use of profane or abusive language or other unsportsmanlike behavior will not be tolerated. All instances of unsportsmanlike behavior can be reported to the CPS Committee for disciplinary consideration.

Violation of any of the above rules may result in disciplinary action by the CPS committee including, but not limited to, the loss of CPS points or removal from the points series.

The CPS committee has the final say in all point series rulings and reserves the right to amend the rules periodically as the need arises.
