### Cross Country Ski Info

EASIER

MORE DIFFICULT

MOST DIFFICULT

Cross country skiing is allowed on all Grand River Park trails. Ski trails are not groomed. Skiers must follow the directional arrows shown on maps and signs. Level of difficulty symbols are also provided on maps and signs to aid skiers in selecting a trail suitable to their abilities. These national standard signs indicate the relative difficulty for cross country ski trails at Grand River Park. Choose your route accordingly and always ski within your ability.
